1947-'48 All Sports Award

Briton athletes brought the conference All-Sports award home to Albion for the first time in eight years during the 1947-'48 sports year. The race for the award was one of the most closely-contested in the history of the MHA and saw Albion win only on the strength of its showing in the annual field day at Kalamazoo.

In winning the award Albion piled up 48 markers to out-distance second-place Kalamazoo by seven points. Albion athletes won conference championships in basketball, cross country and track; finished third in golf, tennis and baseball, and last in football. The Britons also won the unofficial indoor track title.

Kneeling: Manager P. Paul, Hagadone, R. A. MacDonald, Cappel, Griffin, Manager H. Richardson. Standing: McCurry, L. Holmes, Culman, G. Trombley, Dettman, Hinrichs, Coach Sprankle.

MEETS: The Cross Country team won the league crown for the second consecutive year, winning the MIAA meet and nine conference contests. The harriers lost only to Central Michigan College of Education. In the MIAA meet at Alma the Britons, led by Ted Hagadone, took first with a score of 31 points. Alma placed second with 60 and Hope third with 80. Other teams and scores were: Kalamazoo, 81; Adrian, 98; Hillsdale, 171.

Albion entered the National Collegiate meet at East Lansing and finished in fifteenth place. In this meet the Britons revenged the earlier defeat at the hands of Central Michigan and beat all other MIAA teams.

GAMES: Briton gridders finished in last place in MIAA standings after starting the season by winning two non-conference games.

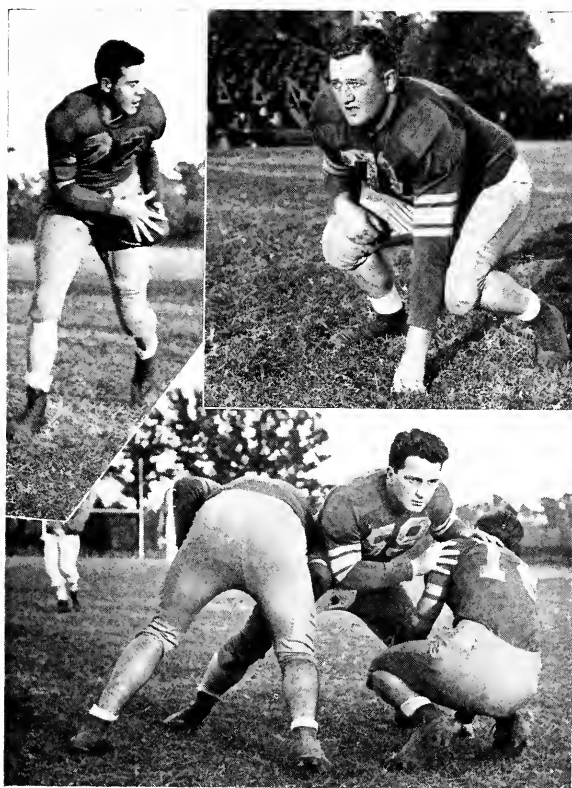

A strong start took a turn for the worse when a MIAA eligibility rule riddled the lineup of the Briton squad. Coach Anderson lost the services of Roger Bates, Tom Bell, Charlie Frost, Ira Guilford, Frank Joranko, Arnie Pinkney and Nick Wurmlinger. Al Carducci and Bill Van Deusen were ruled out because they were transfer students.

A meeting of the MIAA Board of Directors Oct. 7, 1943 dropped the eligibility rule from the

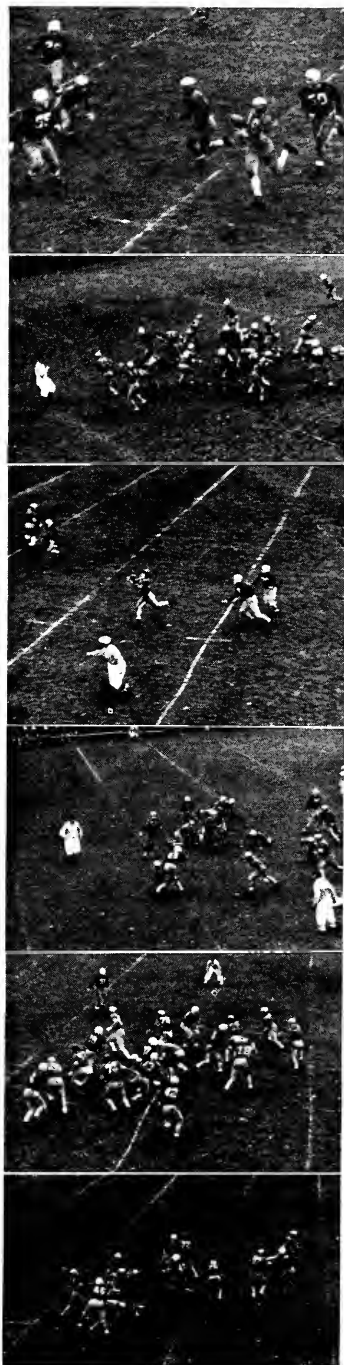

books and stated that any student who is regularly admitted to the freshman class and carrying a full-time schedule of classes shall be eligible for athletic competition during his first semester, effective at the end of the 1943 football season.
